LIFE CHAIN is a peaceful, prayerful public witness of prolife Americans standing in honor of over 60 million lives lost to surgical abortion, praying for our nation, for the protection of people in crisis situations and for an end to all abortion. It is a visual statement of solidarity by the pro-life community that abortion kills children and that we support and defend the sanctity of human life from the moment of conception to natural death.

Thank you for your participation. Together we will help fight against the culture of indifference and help bring about a new culture of life and family. With your prayers and support, we will help God's children remember that breathing is a right that supersedes all politics and personal opinions. May the Holy Spirit enable us to **UNITE FOR LIFE** in San Antonio!

The San Antonio Family Association (SAFA) is the custodian for this important and strategic event to educate San Antonio that the right to breathe is not a political issue but above politics. With Sincere Appreciation, on behalf of the **#LifeChainSA2020** Invitation Team, uniting for life
